Welcome Home Renew College Ministry!?

by Tim Tripp

If you are a new or returning Arkansas Tech student (also faculty, staff, coach, administrator, support etc...) you have probably already heard someone, maybe several people, tell you how happy we are to see you at West Side! "Welcome Worship" Sunday is a day we look forward to every year when the college students return from their busy summers and join in worship and ministry with us here at West Side. The energy and life you bring with you are invigorating. We really are happy to have you here in Russellville and are thankful that you chose to join us this morning.

If you are new to West Side, or returning and need a little refresher, let me tell you a little about us. Three words you'll hear a lot here are Love, Share and Disciple. Those words comprise our "who we are and what we're about." We try to align everything we do to those core values.

We share our faith with people each Sunday morning during our worship time and on Sundays and Wednesdays during classes. We share a meal and meaningful ministry with those who struggle with hurts, habits and hang ups in our Celebrate Recovery program that takes place on Thursday evenings. On Sunday evenings throughout the school year we meet in homes for what we call Share Groups. It is a time of Bible Study and fellowship that we do in smaller groups all over the area. We would welcome you to join one of those.

We have also developed a plan for making disciples. Ahead of all of the other things going on at West Side, we make as our focus Jesus' command to make disciples (Matthew 28:19). We have developed a process and trained many on what that looks like. Grayson and the Renew staff have worked hard at adapting this disciple making process for the College Ministry. I pray that each of you will take advantage of the opportunity to learn what it is to be a disciple of Jesus and help others to become disciples as well.

We invite you to make West Side your church home away from home. Come each Sunday Morning and as often as you can to engage with us in our mission of taking the name of Jesus to the world teaching them to walk as he walked. Allow us to get to know you. Let us know how we might be praying for you. Talk to someone here if you hit a bump in the road spiritually. We are a family. We want to be your family.

We are so thankful to have you as a part of our worship service today. Come back often and... Welcome Home!
