CHURCH OF CHRIST

College Ministry!

Sunday is Welcome Worship.

Kansas Tech students who are a part of the Renew College Ministry will be joining our services at West Side. I'm excited to see them again and the pandemic kept us from gathering with our spiritual family.

At West Side a unique opportunity to engage these college students allows us to meet their needs in providing an opportunity for them while they are in Russellville. My hope is that as they attend our services they will be blessed by the welcome they receive. I ask each West Side member to please let these people know what a blessing it is to have each of them here. We encourage them to put out themselves and offer to answer any questions they might have in the River Valley area.

During the Pandemic, the need for community will be greater than ever. When students leave the building, they will feel that this is a place they can't go to that happen. We all have a wonderful opportunity in helping these students during their college years. Let's not let that opportunity pass.

Prayer with the Mighty Lord! It is the tool for us to use in every situation. In the age of social media, we are more aware of the situations of so many people in their situation in life. And when they (or we ourselves) ask for prayer, "our thoughts" or some other expression of concern about what we do respond "I will pray or I'm praying or praying" for someone. When someone is requesting prayers, those prayers are very important. All health issues are in God's hands.

Pray for all those who have requested, -and for each other-. Pray for those who are in need. Pray for the church, for the ministers that God will use for the Lord. Pray for our Shepherds that they will guide the people of the nation, that they can govern with God's wisdom so that we can have good teaching. Let us keep praying my West Side Family!

Sympathy:

With deepest sympathy we lift up in prayer the families of Joe Pitney and Wendell Loyd. Additionally, we extend our sympathy to George Reed in the recent loss of his sister and Brother-in-law Irene and Henry Kelley.
