DAYS OF

PRAYER

FOR THE CCSC AND

ARKANSAS TECH UNIVERSITY

THANK YOU

- Thank you for actively participating in God's mission by praying for the CCSC! Your prayers make an eternal impact on Arkansas Tech students.

HOW TO USE THE GUIDE

- Each day for the next twenty one days we are asking that you spend time praying urgently, desperately, and specifically.
- Just take it one day at a time and use the specific requests to help guide your prayer. If you miss a day just skip it and go to the next. Please feel free to keep praying over this list beyond twenty one days.

WHY IS THIS SO IMPORTANT?

- It is crucial that you pray for the CCSC. We have such a great opportunity to reach thousands of college students with the gospel. Students could live with purpose, a generation could rise up for God, and the world could be changed by the power of Jesus.
- The only problem is we can't do it. We don't have the strategy, knowledge, or skills to accomplish this task. Our only hope is the presence and power of the Holy Spirit.
- Please pray daily because if not, the vicious cycle of brokenness will continue, the emptiness of chasing after meaning will go on, and the church in North America will crumble from within.
- We need your help in prayer. Together with the Spirit of God, we can win the campus and change the world.
